

## Interstate 17 Construction Update

November 6, 2008

Overnight lane restrictions planned this week for I-17 widening projects

[\(Listen to an audio report of upcoming work\)](#)

### ***Upcoming Restrictions***

Several closures and restrictions are planned on Interstate 17 and Loop 101 for construction of improvements. Please see the complete list of restrictions below for information about restriction dates, times and alternate routes.

While ADOT strives to inform the public about planned freeway restrictions, during any complex construction project, there is a possibility that unscheduled closures or restrictions may occur. Please visit our [Web site](#) for the most current information about planned and ongoing I-17 restrictions.

Here's an overview of scheduled restrictions and closures for Interstate 17 projects:

#### Loop 101 Frontage Road (Agua Fria Freeway) from 27th to 23rd avenues

Thursday, Nov. 6 – Friday, Nov. 7

9 p.m. – 5 a.m.

Saturday, Nov. 8

1 a.m. – 9 a.m.

The eastbound Loop 101 frontage road (Beardsley Road) will be closed between 27th and 23rd avenues nightly from Thursday night until Saturday morning for work on the Loop 101 bridges. Traffic will be detoured south at 27th Avenue, then east on Yorkshire Drive/Utopia Road to 23rd Avenue and north to eastbound Beardsley Road.

### Interstate 17 from Carefree Highway to Dove Valley Road

Saturday, Nov. 8 – Monday, Nov. 10

10 p.m. – 5 a.m.

Southbound I-17 will be restricted to one lane from Carefree Highway to Dove Valley Road and the southbound on-ramp at Carefree Highway will be closed nightly from Saturday night until Monday morning to set temporary concrete barriers. Drivers on eastbound Carefree Highway can use the interchange at Pioneer Road to access southbound I-17; westbound traffic on Carefree Highway can use the loop ramps to enter I-17 southbound.

### Interstate 17 from Dixileta Drive to Jomax Road

Thursday, Nov. 13 – Friday, Nov. 14

10 p.m. – 5 a.m.

Friday, Nov. 14 – Saturday, Nov. 15

9 p.m. – 7 a.m.

Northbound I-17 will be restricted to one lane nightly between Jomax Road and Dixileta Drive from Thursday night, Nov. 13 until the morning of Saturday, Nov. 15 to pour bridges at the CAP canal for the I-17 widening project.

*Drivers should anticipate delays and allow extra time, or adjust travel to avoid closures and restrictions. ADOT appreciates your patience as we construct improvements on I-17.*

An audio podcast outlining this week's I-17 Traffic Alert can be downloaded from the [ADOT Web site](#).
